

## The White Flag

### Stray from the Path

I can't complain I left the world.  
Every sign is proving it.  
I'm killing it, we're killing it.  
We're always,  
Oh yeah.

I can't complain I left the world,  
You could complain I turned my back on you.

Am I leaving this,  
Is this the end of it?  
Yeah. Am I leaving this,  
Is this the end of it?  
I'm through.

I'm gone.  
I'm staying gone.  
I'm staying gone.  
I'm staying gone.  
I'm staying gone.
