

Day One: Vigil

Stream of Passion

Best Friend:

Did he open up his eyes?

Did he try to touch my hand

Or is my mind playing tricks on me...

Do you think he hears us cry?

Does he understand

We are here by his side

Wife:

Why are you so concerned?

Do you really care

Or do you feel responsible?

Now the tide has turned

Won't you try to clear the air?

Let your conscience be your guide...
