

Day Three: Pain

Stream of Passion

I am pain
I am real. I'm not a dream
I'm the chain around your neck as you scream

Surrender now
You can't beat death at his ruthless game
Make your bow
Hang your head in shame

I can't believe there is no way out...
You'll find you are wrong
You fill me with doubt...
You were never that strong

I am pain
I am the wound that never heals
It's all in vain
No compromise, no deals...

I can't believe this is the end
It's written in stone
Where are my friends?
You have always been alone!

(Pain!) We lead
We hide as the pain leaves the rage inside
(Motion personified alpha)
Being here, welcomed by... a sane mind
A travelled lie

I am pain
I am the end, I am your wraith
Nothing remains
I'm the loss of hope and faith

I can't believe there is no way out...
You'll I find you are wrong
You fill me with doubt...
You were never that strong

We lead, we hide as the pain leaves the rage inside
(Motion personified alpha)
Being here, welcomed by... a sane mind
A travelled lie
All the time, I had waited with rage
All the time, I was promised my salvation

I can't accept this, we will find a way
Out of this cesspool of doom and dismay
Beyond this dejection there's beauty and grace
A glorious future we long to embrace

(Pain!) All the time, I have waited with rage
(Motion personified alpha)
All the time, I was promised my salvation
