

Deceiver

Stream of Passion

Deceiver

For long I have been hiding,
And all the pain I hold within sends shivers down my spine.
For long I have been waiting,
For a reason to arise,
Was it all a waste of time?
I am not who you think I am,
Soon I'll be letting you down.
I am not who you think I am,
I'm everywhere.
You think, I have been lying,
There are secrets that lie frozen in my silent stare.
If you go through my fears,
You will see I've lost control,
All the faith I had is gone.
Step back, watch me closely;
As crimson wings unfold you'll see me as I am,
I know it won't be easy,
But in the end you'll understand,
My instinctive need to fly.
