Stream of Passion

I'll Keep On Dreaming

[Verse 1]

I have waited long, I'm waiting still.

Why did I ever think you'd come back to me?

I guess I'll keep on dreaming.

[Verse 2]

Life, the finest thread, wears easily.

Why did I ever think you'd come back to me?

I guess I'll keep on dreaming.

[Verse 3]

Years are passing by so slowly...

Why did I ever think you'd come back to me?

I guess I'll keep on dreaming.

[Verse 4]

Life, the finest thread, wears easily.

Why did I ever think you'd never leave me?

I'll keep on dreaming.
