

Hang 'Em High

Street Dogs

Dummy funds Wall Street Runs
You gouged us all pretty deep
May you rot in the can you fraudulent man
May your nights be full of no sleep at all

A life time stay at club fed
We think you'd be better off dead
You got off too easy three meals and a cell
Bernie Madoff may you rot in hell

It's not enough, it's not enough
Bernie Madoff hang 'em high
It's not enough, it's not enough
Bernie Madoff hang 'em high

New generation same old crap
Pick up the tab for their time
Never through the years do we seem to learn
Even though its all of our money they burn

A life time stay at club fed
We think you'd be better off dead
You got off too easy three meals and a cell
Bernie Madoff may you rot in hell

It's not enough, it's not enough
Bernie Madoff hang 'em high
It's not enough, it's not enough
Bernie Madoff hang 'em high

It's not enough, it's not enough
Bernie Madoff hang 'em high
