Clap for the Killers

Street Sweeper Social Club

Now can you clap for the killers? Give it up for them gangsters One time for the killers Double up for them gangsters Well I Wrote this for criminals But all of y'all should listen at me Now if you ever catch me snitchin Just haul off and slap me They on the other team Let's rumble Is my thoughts exactly They work for gangsters And they wacked Fred Hampton Jr.'s Рарру Ay playboy Pop em with a pistol and get executed Ay mama Murder em with missiles and you get saluted Go head and Gank em for a grand It's DNA computed But bankers bathe in the Bahamas Off of billions looted Now can you clap? Now can you clap? Now can you clap for them killers? Give it up for them gangsters One time for the killers Double up for them gangsters Well I Wrote this for criminals But they the ones who wrote the laws They ain't on TV getting arrested a;; up in their draws They stick their hands up politicians Make em move their jaws And they be starving folks for bread Until their breath pause Ay take a memo Moneypenny Say the deed is done And you can bcc DC And say our leaders won But first we fax the photograph of the Opponent's son Adjust the image Cuz it's hard to see the gag and gun Now can you clap? Now can you clap? Now can you clap? Now can you clap? Now can you clap for them killers? Give it up for them gangsters

Double up for them gangsters Well I Wrote this for gangsters While I sprinted through your backyard Not for them Coppola criminals They just act hard Tony Montana had a stylist and a SAG Card When he reloaded slaves forgot they had Back scars

One time for the killers

Ay M-M-Mister DeNiro what kind of gun is That? Can you look more like a menace? Take two Now run it back Ay s-s-so what Scorsese Got all them money stacks Long as his lens never looks at the real maniacs Clap for them killers

Give it up for them gangsters One time for the killers Double up for them gangsters
