Megablast

Street Sweeper Social Club

I am your host for the evening Don't take the bullet out- leave it in Intoxicate me til I'm bleedin gin And I still walk straighter than them thieving Men 5 million ways to ho- choose one Consider this game to go- use some Stockbrokers pace the floor and do some State fellatio and ooh um Ay man fuck them Federallies Muthafuckas can't get enough bread at Rally's Bringin white girl through Mexicali Homies come up and got dead in alleys Cocaine, soda and H20 Tryin to make the dough Here's the hate below With a statement though: If we hustle for the state to go Security'll brace the door They can't take the blow Of the Megablast Mega-Megablast It's a Megablast Mega-Megablast My heartbeat vacillates to a faster rate Thinking bout bills and scratch to make Muthafuckas work til our back is ached But calculate what massa take Revolution Rock on acetate They seein how much our ass'll take How much money can them bastards Make? We gon wrestle fate Tell em pass the cake Some get drunk of Jack and baked Yack in the back Come back and drank Some just mentally masturbate Won't graduate from class debate Point forty-four is the calibrate But they'll replace it if we assassinate Fuck big biz and their magistrates Explode on the scene and smash the state Megablast Mega-Megablast It's a Megablast Mega-Megablast Slumlords of the world have united And they announced a world tour You are hereby cordially invited

To the Third World War

Slumlords of the world have united And they announced a world tour You are hereby cordially invited To the Third World War

Let's hit em with a
