Skinny jeans are the new fashion
But none of that shit fits me
Weed smoke is the new incense

Flagwaving's the new zeig heil
Do nothing's the new denial

And freedom's the new fantasy
"Get a room" is the new "get a home"
Low income's the new hella po'

There's feds on your telephone
"Take care" is the new healthcare
Big business gets welfare
The Middle East is the new goldrush
We've made a new hell there
