

# All I Know Of Love

Barbra Streisand

[Translation from words in Italian between [\*]]

[Barbra:]

Once I found a perfect love  
And you showed me everything there was to know of love  
Time will not betray the truth  
And for all the years we've shared I celebrate with you  
For you...

[Josh:]

Un giorno t' incontrai [One day I met you]

[Barbra:]

And me...

[Josh:]

Pensai, "adesso lei" [I thought, "now it is she"]

[Barbra:]

Will be...

[Josh:]

D' allora insieme noi [From now on together we are]

[Both:]

Forever

[Both:]

You are all I know of love  
How could I ask for more  
You're everything I'm dreaming of  
You're all I need from love  
And every star above  
Spells out your name  
I swear I'll always feel the same  
You're all I want...

[Barbra:]

From love...

[Josh:]

All I want from love...

[Josh:]

Dimmi [Tell me]

[Barbra:]

Hmm...

[Josh:]

Che e per l' eternita [It's for eternity]

[Barbra:]

Like a memory

[Josh:]

'Mi terrai ad abitare nei pensieri tuoi' [You will hold me to live in your d  
reams]

Con te [with you]

[Barbra:]

You are my only heart

[Josh:]

In te [in you]

[Barbra:]

I loved you from the start

[Josh:]

Noi due [we two]

[Barbra:]

Together not apart

[Both:]

Forever...

[Both:]

You are all I know of love  
How could I ask for more  
You're everything I'm dreaming of  
You're all I need from love  
And every star above  
Spells out your name  
I swear I'll always feel the same  
You're all I want...  
[Josh:]  
From love...  
[Both:]  
You're all I want from love  
[Josh:]  
Pensami [Think of me]  
[Barbra:]  
I think of him  
[Josh:]  
Perche` io sogno te [Because I dream of you]  
[Barbra:]  
You'll be with me  
[Josh:]  
Due cuori ed un anima [Two hearts and one soul]  
[Barbra:]  
My love flows free through you  
[Josh:]  
Guariti e liberi [Healed and free]  
[Barbra:]  
I live my whole life  
[Josh:]  
I'll live my life  
[Both:]  
To be with you  
You'll always be the one who taught me everything  
My heart knows to be sure  
My heart knows you  
You're all I know of love  
How could I ask for more  
You're everything I'm dreaming of  
You're all I need from love  
[Barbra:]  
And every star above  
[Josh:]  
Every star above  
[Both:]  
Spells out your name  
I swear I'll always feel the same  
You're all I want...  
[Josh:]  
From love:  
[Barbra:]  
You're all I want from love...  
[Both:]  
You're all I know of love...
