C'est Si Bon (It's So Good)

Barbra Streisand

C'est si bon Lovers say that in France When they thrill to romance It means that it's so good C'est si bon So I say to you Like the French people do Because it's oh so good Every word, every sigh, every kiss, dear, Leads to only one thought And the thought is this, dear! C'est si bon Nothing else can replace Just your slightest embrace And if you only would be my own for the rest my days I will whisper this phrase My darling, my darling... C'est si bon!
