

Fine And Dandy

Barbra Streisand

Please forgive this platitude
But I like your attitude
You are just the kind I've had in mind,
Never could find
Honey, I'm so keen on you
I could come to lean on you
On a random bay
Give you your way
Do what you say
Gee, it's all fine and dandy
Sugar candy,
When I've got you
Then I only see the sunny side
Even trouble has its funny side
When you're gone, my sugar candy
I get so lonesome, I get so blue
But when you're handy
It's fine and dandy
But when you're gone
What can I do?
