

# Free The People

Barbra Streisand

Free the people from the fire  
Pull the boat out of the raging sea  
Tell the devil he's a liar  
Come and save the likes of me  
I saw the lives from the streets  
As I passed by the other day  
I was scared  
My knees were weak  
I forgot what I had came to say  
Free the people from the fire  
Pull the boat out of the raging sea  
Tell the devil  
He's a liar  
Come and save the likes of me  
Saw a man walk on water  
And everybody looking on  
I didn't know  
I was his daughter  
Till both of us  
Had come and gone  
Free the people from the fire  
Pull the boat out of the raging sea  
Tell the devil  
He's a liar  
Come and save the likes of me  
If you see me in the alley  
Looking like I don't belong  
You can put me in your deepest valley  
I'll still be singing the same old song  
Free the people from the fire  
Pull the boat out of the raging sea  
Tell the devil he's a liar  
Come and save the likes of me  
I said free the people from the fire  
Pull the boat out of the raging sea  
Tell the devil he's a liar  
Come and save the likes of me  
Free the people from the fire  
Pull the boat out of the raging sea  
Tell the devil he's a liar  
Come and save the likes of me
