

# Guilty

Barbra Streisand

Shadows falling, baby, we stand alone  
Out on the street anybody you meet got a heartache of their own  
(It oughta be illegal)  
Make it a crime to be lonely or sad  
(It oughta be illegal)  
You got a reason for livin'  
You battle on with the love you're livin' on  
You gotta be mine  
We take it away  
It's gotta be night and say  
Just a matter of time  
And we got nothing to be guilty of  
Our love will climb any mountain near or far , we are  
And we never let it end  
We are devotion  
And we got nothing to be sorry for  
Our love is one in a million  
Eyes can see that we got a highway to the sky  
I don't wanna hear your goodbye  
Oh!

Aaah!  
Pulse's racing , darling  
How grand we are  
Little by little we meet in the middle  
There's danger in the dark  
(It oughta be illegal)  
Make it a crime to be out in the cold  
(It oughta be illegal)  
You got a reason for livin'  
You battle on with the love you're buildin' on  
Together  
You gotta be mine  
We take it away  
It's gotta be night and day  
Just a matter of time  
And we got nothing to be guilty of  
Our love will climb and mountain near or far , we are  
And we never let it end  
We are devotion  
And we got nothing to be sorry for  
Our love is one in a million  
Eyes can see that we got a highway to the sky

I don't wanna hear your goodbye

Don't wanna hear your goodbye

I don't wanna hear your  
And we got nothing to be guilty of  
Our love will climb and mountain near or far , we are  
And we never let it end  
We are devotion  
And we got nothing to be sorry for  
Our love is one in a million  
Eyes can see that we got a highway to the sky  
Don't wanna hear your goodbye

Don't wanna hear your  
And we got nothing to be guilty of...
