

## He Touched Me

Barbra Streisand

He touched me, he put his hand near mine  
And then he touched me  
I felt a sudden tingle when he touched me  
A sparkle, a glow

He knew it...It wasn't accidental, no, he knew it  
He smiled and seem to tell me so all through it  
He knew it, I know...  
He's real, and the world is alive and shining  
I feel such a wonderful drive t'wards valentining  
He touched me; I simply have to face the fact  
He touched me...  
Control myself and try to act  
As if I remember my name  
But he touched me...He touched me...  
And suddenly nothing is the same!  
'Cause he touched me...He touched me...  
And suddenly...nothing, nothing, nothing is the same
