

How Does The Wine Taste?

Barbra Streisand

How does the wine taste?
Does it stain your lips?
What is the fruit-like?
Just beyond my finger tips?
Just out of reach I see so much
I cannot taste and mustn't touch
Tied to my little world
My safe little world
What would it be like
If I broke the string?
Would it be lovely
And a little frightening?
There is so much I've never understood
How does the wine taste?
Is it good?
Hmmm...
Lah-da-dee-dah-da...
How does the wine taste?
Does it make you glow?
How does the wine taste?
How does the wine taste?
How does the wine taste?
I think I know!
Dah-dah-dee-dee...
Hmm...hmm...
Ooohm...
