

I Can See It

Barbra Streisand

Beyond that road lies a shining world.
Beyond that road lies despair.
Beyond that road lies a world that's gleaming.
People who are scheming.
Beauty!
Hunger!
Glory!
Sorrow!
Never a pain or care.
I'm liable to find a couple of surprises there.
There's a song he must sing;
It's a well-known song.
But the tune is bitter
And it doesn't take long to learn!

I can learn!
That pretty little world that beams so bright.
That pretty little world that seems delightful
Can burn!
Let me learn! Let me learn!

For, I can see it!
Shining somewhere!
Bright lights somewhere invite me to come there
And learn!
And I'm ready!

I can hear it!
Sirens singing!
Inside my ear I hear them all singing
Come learn!

Who knows, maybe
All the visions I can see
May be waiting just for me
To say take me there, and

Make me see it!
Make me feel it!
I know it's so
I know that it really
May be!
Let me learn!
