

I'll Never Say Goodbye

Barbra Streisand

Say goodbye
Why? I can barely say good night
If I can hardly take my eyes from yours
How far can I go?

Walk away
The thought would never cross my mind
I couldn't turn my back on spring or fall
Your smile, least of all

When I say always, I mean forever
I trust tomorrow as much as today
I'm not afraid to say I love you
And I promise you I'll never say goodbye

We're dancers on a crowded floor
While other dancers live from song to song
Our music goes on, on and on
And if I never leave your arms
I really will have traveled ev'rywhere
For my world is there

When I say always I mean forever
I trust tomorrow as much as today
I'm not afraid to say I love you
And I promise you I'll never say goodbye

How could I ever say goodbye?
