I Wish You Love

Barbra Streisand

Goodbye, no use leading with our sins This is where our story ends Never lovers, ever friends... Goodbye, let our hearts call it a day But before you walk away I sincerely want to say...

I wish you bluebirds in the Spring
To give your heart a song to sing
And then a kiss, but more than this, I wish you love!

And in July a lemonade
To cool you in some leafy glade
I wish you health, and more than wealth, I wish you love!

My breaking heart and I agree
That you and I could never ever be
So with my best, my very best, I set you free!

I wish you shelter from the storm A cozy fire to keep you warm But most of all, but most of all... When snowflakes fall, I wish you wealth I wish you health...I wish you love!
