

## It Must Have Been The Mistletoe

Barbra Streisand

It must have been the mistletoe  
The lazy fire, the falling snow  
The magic in the frosty air  
That feeling everywhere  
It must have been the pretty lights  
That glistened in the silent night  
It may be just the stars so bright  
That shined above you  
Our first Christmas  
More than we'd be dreaming of  
Ah, Saint Nicholas had his fingers crossed  
That we would fall in love!  
It could have been the holiday,  
The midnight ride upon sleigh  
The countryside all dressed in white  
The crazy snowball fight!  
It could have been the steeplebell  
That wrapped us up in its spell  
It only took one kiss to know  
It must have been the mistletoe!  
Our first Christmas more than we'd be dreaming of  
Ah, St. Nicholas must have know that kiss  
Would lead to all of this!!  
It must have been the mistletoe  
The lazy fire, the falling snow  
The magic in the frosty air  
That made me love you!  
On Christmas eve our wish came true  
That I would fall in love with you  
It only took one kiss to know  
It must have been the mistletoe!  
It must have been the mistletoe!  
It must have been the mistletoe!
