

# It's Up To You

Barbra Streisand

You can say what you got to say  
Wherever you go baby  
I will find a way  
I'm ready to go anywhere you choose  
It's up to you

You decide if I live or die  
Wherever you go baby  
So will I  
I'm ready to accept your point of view  
It's up to you

And there's something about that way you smile  
Every touch leaves me helpless  
Every moment drives me wild  
I never saw the cause that made you lie  
And never said goodbye inside

You can go where you got to go  
Wherever you lead, baby,  
I will follow  
I'm ready to be all you want me to  
It's up to you

And I walk in the dark and the candle burns  
Out of place your face is missing  
Come the day that you'll return  
My love and hope  
This moment stops in time  
The reason and the rhyme  
Inside

You can go where you got to go  
Wherever you lead, baby,  
I will follow  
I'm ready to be all you want me to  
It's up to you  
It's up to you  
You, baby,

It's up to you  
Oh...It's up to you...  
Oh...It's up to you...
