

# Jubilation

Barbra Streisand

Rejubilation there's some celebration beginning  
Total rejection to lies and deception and sinning  
Sinners take heed  
For the life that you lead is deceiving  
Nothing replaces a man  
That embraces believing, no!  
People take heart  
It's the time to be smart  
To be honest  
Join the reunion  
There's one vast communion upon us  
Sinners take heed  
For the life that you lead is deceiving yeah  
Nothing replaces a man  
That embraces believing, no!  
(You know I'm betting, I'm betting on Jesus)  
I'm betting on Jesus, I'm hoping  
I'm hoping hell freezes  
I'm hoping it displeases  
The devil, talking 'bout the devil  
Oh oh oh, Oo Oo Oo  
As for the children  
God bless and God will  
They'd know sorrow  
(Sorrow)  
Share the confusion  
And life's disillusion tomorrow  
(Tomorrow)  
Sinners take heed  
All the life that you lead is deceiving yeah  
Nothing replaces a man that embraces believing, no!  
(You know I'm betting)  
I'm betting on Jesus  
I'm hoping, I'm hoping hell freezes  
I'm hoping, it displeases the devil,  
Get down on the devil  
Make Jubilation there's some celebrating beginning  
Total rejection to lies and deception and sinning  
Sinners take heed  
All the life that you lead is deceiving, yeah!  
Nothing replaces a man  
That embraces believing, no!  
Jubilation, jubilation, jubilation  
I said jubilation  
We're gonna have a great jubilation  
I need it now, hey, jubilation  
We're gonna have a great jubilation  
Get yourself a crazy jubilation

Lemme hear you say it  
Lemme hear you say  
Yeah!
