

# Lessons To Be Learned

Barbra Streisand

They say  
there's a universal plan  
for every woman  
for every man  
I do believe  
there's a higher power  
but in our darkest hour  
it's hard to understand  
so we start to question  
start to doubt  
we lose faith in what life's all about  
why did the right road  
take the wrong turn  
why did our heart break  
why'd we get burned  
just like the seasons  
there are reasons  
for the path we take  
there are no mistakes  
just lessons to be learned  
don't give up  
keep on looking deep inside  
let your heartbeat  
be your guide  
cause there's a gift  
for those who keep believing  
you'll find what you've been needing  
is right before your eyes  
you'll hold the answer  
in your hands  
and then you'll know  
you'll finally understand  
why  
why did the right road  
take that wrong turn  
why did our heart break  
and why'd we get burned  
just like the seasons  
there are reasons  
for the path we take  
there are no mistakes  
just lessons to be learned  
no matter how many times  
you stumble or fall  
the greatest lesson  
is loving yourself  
through it all  
why did the right road  
take that wrong turn  
why did our heart break  
why'd we get burned  
just like the seasons  
there are reasons  
for the path we take  
there are no mistakes  
just lessons
