

Lessons To Be Learned

Barbra Streisand

They say
there's a universal plan
for every woman
for every man
I do believe
there's a higher power
but in our darkest hour
it's hard to understand
so we start to question
start to doubt
we lose faith in what life's all about
why did the right road
take the wrong turn
why did our heart break
why'd we get burned
just like the seasons
there are reasons
for the path we take
there are no mistakes
just lessons to be learned
don't give up
keep on looking deep inside
let your heartbeat
be your guide
cause there's a gift
for those who keep believing
you'll find what you've been needing
is right before your eyes
you'll hold the answer
in your hands
and then you'll know
you'll finally understand
why
why did the right road
take that wrong turn
why did our heart break
and why'd we get burned
just like the seasons
there are reasons
for the path we take
there are no mistakes
just lessons to be learned
no matter how many times
you stumble or fall
the greatest lesson
is loving yourself
through it all
why did the right road
take that wrong turn
why did our heart break
why'd we get burned
just like the seasons
there are reasons
for the path we take
there are no mistakes
just lessons
lessons

to be learned
