

## Love like ours

Barbra Streisand

I look at you and there it is.  
The ultimate in where it is  
And realize how rare it is  
This finding your love.  
You try so many arms  
When you are lonely.  
To find the one and only.  
One day you turn and he's there.  
Amazing how serene it is.  
The shade of evergreen, it is.  
Exactly what we mean, it is.  
And knew it would be.  
When love like ours arrives  
We guard it with our lives.  
Whatever goes astray  
When a rainy day comes around  
A love like ours will keep us safe and sound.

(humming)

When love like ours arrives  
We guard it with our lives.  
Whatever goes astray  
What rainy day comes around  
Love like ours will keep us safe and sound.
