

# My Heart Belongs To Me

Barbra Streisand

I got the feelin' the feelin's gone  
My heart has gone to sleep.  
One of these mornin's I'll be gone my heart belongs to me.  
Can we believe in fairytales?  
Can love survive when all else fails?  
Can't hide the feelin' the feelin's gone my heart belongs to me.

But now my love, hey didn't I love you?  
But we knew what had to be.  
Em7/9      Am7  
Somehow my love, I'll always love you,  
But my heart belongs to me.  
Put out the light and close your eyes;  
Come lie beside me don't ask why.  
Can't hide the feelin' the feelin's gone my heart belongs to me  
.

B7      Em7/9      Am7  
But now my love, hey didn't I love you?  
Didn't I love you, didn't I love you, baby?  
Em7/9      Am7  
Don't cry my love I'll always love you,  
But my heart belongs to me.  
I got the feelin' the feelin's gone my heart belongs to me.
