

# No Easy Way Down

Barbra Streisand

Your toy balloon has sailed in the sky  
But now it must fall to the ground  
Now you're sad eyes reveal  
Just how badly you feel  
'Cause there is no easy way down  
The view from the cliffs  
Must have been exciting  
(Exiting, exciting, exciting)  
And up to the peaks you were bound  
Now you're stranded all alone  
And the path leads unknown  
And there is no easy way down  
No it isn't very easy  
(No easy way down)  
When you're left on your own  
(No easy way down)  
No it isn't very easy  
When each road you take  
Is one more mistake  
And there's no one to break your fall  
And lead you back home  
Oh, ooh. . .  
We all like to climb to the heights, I know  
Where our fantasy world can be found  
But you must know in the end  
When it's time to descend  
There is no easy way down  
You know, you're gonna find  
There is no easy way down  
No it isn't very easy (No easy way down)  
When you're left on your own (No easy way down)  
No it isn't very easy (No easy way down)  
When you're left on your own (No easy way down)  
No it isn't very easy (No easy way down)  
When you're left on your own...
