(Our Love) Don't Throw It All Away

Barbra Streisand

Maybe I don't wanna know the reason why But lately you don't talk to me Darlin' I can't see me in your eyes I hold you near but you're so far away And it's losing you I can't believe To watch you leave and let this feeling die

You alone are the living thing that keeps me alive And tomorrow (tomorrow) If I'm here without your love You know I can't survive Only my love can raise you high above it all

Don't throw it all away Our love , our love Don't throw it all away Our love Don't throw it all away Our love , our love Don't throw it all away Our love

We can take the darkness And make if full of light But let your love flow back to me How can you leave and let this feeling die (Happy room) This happy room Would be a lonely place when you are gone And I won't even have your shoulders for the crying on (No other love)No other women's love Could be as true , I'm begging you

Don't throw it all away Our love , our love Don't throw it all away Our love Don't throw it all away Our love , our love Don't throw it all away Our love

We changed the world we made it ours to hold But dreams are made for those who really try This losing you is real But I still feel you here inside

Don't throw it all away Our love , our love Don't throw it all away Our love Don't throw it all away Our love , our love Don't throw it all away Our love...
