

## People

Barbra Streisand

People,  
People who need people  
Are the luckiest people in the world  
Were children needing other children  
And yet letting our grown-up pride  
Hide all the need inside  
Acting more like children than children  
Lovers  
Are very special people  
They're the luckiest people in the world  
With one person,  
One very special person  
A feeling deep in your soul  
Says you are half now you're whole  
No more hunger and thirst  
But first be a person who needs people  
People, people who need people  
Are the luckiest people in the world.

With one person  
One very special person  
A feeling deep in your soul  
Says you are half now you're whole  
No more hunger and thirst  
But first be a person who needs people  
People, people who need people  
Are the luckiest people in the world.
