

## Run Wild

Barbra Streisand

I wandered into your wonderland  
With eyes open wide  
You turned me into your yesterday  
But you will remain inside of me  
Like I care for you  
Oh...I care for you  
Run wild  
Out on the edge of time  
Child  
Carry your dreams away  
Love  
No one can hold you now  
For you are an island  
I may be broken but understand  
My love will get by  
There will be others along the way  
My love  
They will try to care for me  
Like I care for you  
Oh...I care for you  
Run wild  
Out on the edge of time  
Child  
Carry your dreams away  
Love  
No one can hold you now  
For you are an island  
Run wild  
Out on the edge of time  
Child  
Carry your dreams away  
No one can hold you now  
For you are an island  
(Run wild  
Out on the edge of time)  
Child  
Carry your dreams away  
Love  
No one can hold you now  
For you are an island...
