

## Some Good Things Never Last

Barbra Streisand

It's three in the morning  
You're nowhere in sight  
And all that I wanted was  
To be with you tonight  
I've watched love get closer  
And then fade away  
I've seen you believe in me  
I've seen you trying to stay  
But what good is holding on  
When you know that all  
You can think about is letting go  
They say if you love someone  
Then set them free  
If they come back again  
Then in the end it was meant to be  
I thought we were lovers  
I thought we were friends  
I guess when reality steps in  
The dreaming ends  
We live for the future  
We learn from the past  
No matter how hard we try  
Some good things never last  
All you can think about is letting go  
Be true to yourself, my love  
That's all I ever wanted you to be  
Just don't forget to smile  
When you think of me  
I'll reach for the stars  
I have got them in sight  
There's someone who really needs me  
Out there in the night  
We'll live for the future  
We'll learn from the past  
No matter how hard we try  
Some good things never last  
Why can't they last?
