

# Something So Right

Barbra Streisand

You've got the cool water  
When the fever runs high  
You've got the look of love  
Light in your eyes  
And I was in crazy motion  
Till you calm me down  
It took a little time  
But you calm me down  
Something goes wrong  
I'm the first to admit it  
I'm the first to admit it  
And the last one to know  
Something goes right  
Oh it's likely to lose me  
It's up to confuse me  
Such an unusual sight, oh, I swear  
I can't, I can't get used  
To something so right  
Something so right  
They've got a wall in China  
It's a thousand miles long  
To keep off the foreigners  
They made it strong  
And I've got a wall around me  
That you can't see  
It took a little time  
To get next to me  
Something goes wrong  
I'm the first to admit it  
The first to admit it  
And the last one to know  
Something goes right  
Something goes right  
Oh it's likely to lose me  
It's up to confuse me  
Such an unusual sight, oh, I swear  
Oh, I can't, I can't get used  
To something so right  
Something so right  
Some people never say the words  
"I love you"  
It's not best time to be so cold  
Some people never say the words  
"I love you"  
But like a child they're longing to be told  
Hmm...something goes wrong  
I am the first to admit it  
I'm the first to admit it  
And the last one to know  
Something goes right  
Something goes right  
It's like it'll lose me  
It's up to confuse me  
Such an unusual sight, oh, I swear  
I swear, I swear I can't, I can't get used to  
Hmm... something so right!  
Hmm... something so right!
