

# Songbird

Barbra Streisand

Songbird sings from the heart  
Each word can tear you apart  
I sing - you sing along  
You find your life in my song  
When you need the strength to carry on  
You've got me to turn to  
With the songs that I sing  
And the magic they bring  
They've helped you be strong now  
The song sets you free  
But who sings to me  
I'm all alone now  
Who sings for songbird  
Sometimes  
When I'm all alone  
I sing my saddest song  
Lonely, and no one can see  
This time the song is for me  
I can touch your secret place inside  
And still you don't know me  
With the songs that I sing  
And the magic they bring  
You've learned to be strong now  
The song sets you free  
But who sings to me  
I'm all alone now  
Where is my songbird,  
Where is my songbird,  
Who sings his song for me?
