Soon It's Gonna Rain

Barbra Streisand

Hear how the wind begins to whisper See how the leaves go streaming by Smell how the velvet rain is falling Out where the fields are warm and dry Now is the time to run inside and stay Now is the time to find a hideaway Where we can play Soon it's gonna rain, I can see it Soon it's gonna rain, I can tell Soon it's gonna rain, what are we gonna do? Soon it's gonna rain, I can feel it Soon it's gonna rain, I can tell Soon it's gonna rain, what will we do with you? We'll find four limbs of a tree We'll build four walls and a floor We'll bind it over with leaves Then duck inside and play Then we'll let it rain, we'll not feel it Then we'll let it rain, rain pell mall And we'll not complain if it never stops at all We'll live and love within our castle Hear how the wind begins to whisper Feel how the rain is falling now
