

# Splish Splash

Barbra Streisand

Splish splash I was taking a bath  
Long ago a Saturday night  
A rub-a-dub, just relaxing in my tub  
Thinking everything was alright  
And when I stepped out the tub  
Put feet on the floor, I wrapped the towel around me  
And I opened up my door and than  
Oeh, Splish splash! I jumped back in the bath  
How was I to know there was a party going on?  
How was I to know there was a party going on? Yeah yeah!  
Bing bang I saw the whole gang  
Dancing on my living-room rug  
They're getting high, they walk round the spa  
Shaking like they're taking a drug  
So I put on the jacket and roll up the wine  
Turned the music louder than I turned off my mind,  
And than oh!  
Splish, splash the old man in the bath  
Don't get wet and have a good time, I said now  
Don't get wet and have a good time. Yeah yeah!  
I was splishing and splashing  
I was rolling and strolling  
I was moving and grooving  
I was reeling with feeling  
Sniffing, sliding, siding, gliding  
Moving, grooving, rolling strolling  
Sure to love to splish and splash with you  
Sure to love to splish and splash with you  
How was I to know there was a party going on  
How was I to know there was a party going on  
Sure to love to splish and splash with you  
Sure to love to splish and splash with you  
Come on, don't be silly  
Stop that!  
Oh, you're crazy  
Sure to love to splish and splash with you  
Sure to love to splish and splash with you  
It's getting hot...
