

# Take Me to the World

Barbra Streisand

Let me see the world with clouds  
Take me to the world  
Out where I can push through crowds  
Take me to the world

A world that smiles  
With streets instead of aisles  
Where I can walk for miles with you

Take me to the world that's real  
Show me how it's done  
Teach me how to laugh, to feel  
Move me to the sun

Just hold my hand whenever we arrive  
Take me to a world where I can be alive  
Him: The world is better here. I know I've seen them both.

Let me see the world that smiles Him: A poet doesn't count for much out there  
Take me to the world Him: We'd be cold and hungry in the winter  
Somewhere I can walk for miles Him: A shabby room with cracked plaster  
Take me to the world Him: You couldn't get a job

With all around things growing in the ground Him: We'd end up hating each other.  
We'd have fights. You'd cry.  
Where birds that make a sound are birds

Let me see the world that's real Him: I have seen the world  
Show me how it's done Him: And it's mean and ugly  
Teach me how to laugh, to feel Him: We could laugh together  
Move me to the sun Him: Stay here with me

Just hold my hand whenever we arrive Him: Stay here. I love you. But we're happy here  
Let it be a world with you Him: Stay with me  
Any other world with you  
Take me to a world where I can be alive

Do you want the world ?  
Well then, you shall have the world  
Ask me for the world again  
You shall have the world

A world of skies  
That's bursting with surprise  
To open up your eyes for joy

We shall see the world come true  
We shall have the world  
I won't be afraid with you  
We shall have the world  
You'll hold my hand and know you're not alone

You shall have the world to keep

Such a lovely world you'll weep  
We shall have the world forever for our own
