

## The Best Gift

Barbra Streisand

The best gift  
That I ever got  
Didn't really weigh a lot  
It didn't have a ribbon 'round  
And it sometimes made the terrible sound  
The best of all it seems to me  
It wasn't neath the Christmas tree  
And yet, I guess I'd have to say  
That it made all the other presents twice as gay  
The best gift that I've ever known  
I'd always wanted most to own  
Yet in my dreams of sugar and spice  
I never thought it could be so nice  
The best gift that I ever get  
Was sometimes dry and sometimes wet  
Was usually pink but oftentimes red  
As it lay so innocently in its bed  
The best gift of the year to me  
The one I hold most dear to me  
A gift that simply drove me wild  
Was a tiny new born child...
