

# The Best Thing You've Ever Done

Barbra Streisand

Aren't you glad it's finally over  
Don't you feel a whole lot better?  
Isn't it a joy to lie alone at night  
Aren't people more exciting?  
Doesn't music have more meaning?  
Don't you close your eyes  
The moment you close the light  
To be rid of all the feelings  
How it clouded up the morning  
To be free of all the memories  
Everyone  
Take a bow then take another  
Isn't loneliness a winner  
'Cause you're leaving me  
The best thing you've ever done  
To be rid of all the feelings  
How it clouded up the morning  
To be free of all the memories  
Everyone  
Take a bow then take another  
Isn't loneliness a winner  
'Cause you're leaving me  
The best thing you've ever done
