

The Best Thing You've Ever Done

Barbra Streisand

Aren't you glad it's finally over
Don't you feel a whole lot better?
Isn't it a joy to lie alone at night
Aren't people more exciting?
Doesn't music have more meaning?
Don't you close your eyes
The moment you close the light
To be rid of all the feelings
How it clouded up the morning
To be free of all the memories
Everyone
Take a bow then take another
Isn't loneliness a winner
'Cause you're leaving me
The best thing you've ever done
To be rid of all the feelings
How it clouded up the morning
To be free of all the memories
Everyone
Take a bow then take another
Isn't loneliness a winner
'Cause you're leaving me
The best thing you've ever done
