## The Best Thing You've Ever Done

## **Barbra Streisand**

Aren't you glad it's finally over Don't you feel a whole lot better? Isn't it a joy to lie alone at night Aren't people more exciting? Doesn't music have more meaning? Don't you close your eyes The moment you close the light To be rid of all the feelings How it clouded up the morning To be free of all the memories Everyone Take a bow then take another Isn't loneliness a winner 'Cause you're leaving me The best thing you've ever done To be rid of all the feelings How it clouded up the morning To be free of all the memories Everyone Take a bow then take another Isn't loneliness a winner 'Cause you're leaving me The best thing you've ever done
