

The Island

Barbra Streisand

Make believe we've landed
On a desert Island.
Bathe me in the waters,
Warm me in the moonlight,
Taste me with your kisses,
Find my secret places,
Touch me 'till I tremble,
Free my wings for flying
And catch me while I'm falling.
Keep your arms around me
Like there's no tomorrow.
Let me know you love me.

On our little Island
Not a soul can see us.
Show me how to love you.
Teach me how to please you.
Lay your dreams beside me.
Only stars will listen
To our cries and whispers.
You were made to love me
And I was made to love you.
Keep your arms around me
Lose yourself inside me.
Make it last forever.

I can see the Island
Shining in the distance.
Now we're getting closer.
Keep your arms around me.
Oh now we're almost there.

Ooooh.
On our little Island
Not a soul can hear us.
Silently exchanging
Fantasies and feelings.
Endlessly exploring
Learning one another
'Till the morning finds us.
You were made to love me
And I was made to love you.
Keep your arms around me,
Lose yourself completely,
Make it last forever.

I can see the Island
Shining there before us.
Now we're getting closer
Just keep your arms around me.
Come my love...
We're there.
