## **Barbra Streisand**

The shadow of your smile When you are gone Will color all my dreams And light the dawn Look into my eyes, my love, and see All the lovely things you are to me A wistful little star was far too high A tear drop kissed your lips and so did I Now that I remember spring All the joy that love can bring I will be remembering The shadow of your smile Now when I remember spring All the love that joy can bring I will be remembering The shadow of your smile...
