## **The Summer Knows**

## **Barbra Streisand**

The summer smiles, the summer knows And unashamed she sheds her clothes, The summer smoothes the restless sky And lovingly she warms the sand On which you lie The summer knows, the summer's wise, She sees the doubts within your eyes And so she takes her summertime Tells the moon to wait and the sun to linger Twists the world round her summer finger Lets you see the wonder of it all

And if you've learned your lesson well There's little more for her to tell One last caress It's time to dress For Fall.

And if you've learned your lesson well There's little more for her to tell One last caress It's time to dress For Fall.
