

We Must Be Loving Right

Barbra Streisand

Some folks got nothin' but troubles
So little joy in their lives.
But wherever we go
Happiness follows.
We must be lovin' right.
It might be the way I adore you.
Or the way that you hold me tight.
I don't know the reason
But I'm believin'
We must be lovin' right

All of our friends say
Love fades away with time.
But I know they're wrong
'Cause they've never known
A love like yours and mine.

So if the whole world goes crazy
Let everyone else fuss and fight.
When all's said and done
We'll be the lucky ones.
We must be lovin' right.

Some folks got nothin' but troubles.
Oh so little joy in their lives.
But wherever we go
Happiness follows.
We must be lovin' right.
We must be lovin' right.
