

## Where Or When

Barbra Streisand

Sometimes you think you've lived before  
All that you live to day  
Things you do come back to you  
As if they knew the way  
Oh the tricks your mind can play  
It seems we stood and talked like this, before  
We looked at each other in the same way then  
But I can't remember where or when  
The clothes you're wearing are the close, you wore  
The smile you are smiling you were smiling then  
But I can't remember where or when  
Some things that happened for the first time  
Seem to be happening again  
And so it seems we have met before  
And laughed before, and loved before  
But who knows where or when
