

With One Look

Barbra Streisand

They don't want me any more,
They all say I'm through
Well it's time they knew...

With one look
I can break your heart
With one look
I play every part
I can make your sad heart sing
With one look you'll know
All you need to know.

With one smile
I'm the girl next door
Or the love that you've hungered for
When I speak it's with my soul
I can play any role

No words can tell
The stories my eyes tell
Watch me when I frown
You can't write that down
You know I'm right
It's there in black and white
When I look your way
You'll hear what I say.

Yes, with one look
I put words to shame
Just one look
Sets the screen aflame
Silent music starts to play
One tear from my eye
Makes the whole world cry.

With one look
They'll forgive the past
They'll rejoice: I've returned at last
To my people in the dark
Still out there in the dark...

Silent music starts to play
With one look you'll know
All you need to know.

With one look
I'll ignite a blaze
I'll return to my glory days
They'll say Norma's back at last.

This time I'm staying
I'm staying for good
I'll be back
Where I was born to be
With one look
I'll be me...
