

# With One Look

Barbra Streisand

They don't want me any more,  
They all say I'm through  
Well it's time they knew...

With one look  
I can break your heart  
With one look  
I play every part  
I can make your sad heart sing  
With one look you'll know  
All you need to know.

With one smile  
I'm the girl next door  
Or the love that you've hungered for  
When I speak it's with my soul  
I can play any role

No words can tell  
The stories my eyes tell  
Watch me when I frown  
You can't write that down  
You know I'm right  
It's there in black and white  
When I look your way  
You'll hear what I say.

Yes, with one look  
I put words to shame  
Just one look  
Sets the screen aflame  
Silent music starts to play  
One tear from my eye  
Makes the whole world cry.

With one look  
They'll forgive the past  
They'll rejoice: I've returned at last  
To my people in the dark  
Still out there in the dark...

Silent music starts to play  
With one look you'll know  
All you need to know.

With one look  
I'll ignite a blaze  
I'll return to my glory days  
They'll say Norma's back at last.

This time I'm staying  
I'm staying for good  
I'll be back  
Where I was born to be  
With one look  
I'll be me...
