

## With One More Look at You

Barbra Streisand

With one more look at you  
I could learn to tame the clouds  
And let the sun shine through  
Leave a troubled past and I might start anew  
I'll solve the mysteries if you're the prize  
Refresh these tired eyes  
With one more look at you  
I might overcome the anger  
That I learned to know  
Find a piece of mind I lost so long ago  
Your gentle touch has made me strong again  
And I belong again  
For when you look at me  
I'm everything and more that I had dreamed I'd be  
My spirit feels a promise  
I won't be alone  
We'll love and live more  
Love and live forever  
With one more look at you  
I'd learn to change the stars  
And change our fortunes too  
I'd have the constellations paint your portrait too  
So all the world might share this wonderous sight  
The world could end each night  
With one more look at you  
With one more look at you  
I want one more look at you
