

Woman In Love

Barbra Streisand

Life is a moment to space
When the dream is gone
it's a lonelier place

I kiss the morning goodbye
But down inside, you know we never know why
The road is narrow and long
When eyes meet eyes and the feeling is strong
I turn away from the wall,
I stumble and fall, but I give you it all

Chrous:

I am a woman in love
And I'd do anything to get you into my world and hold you withi
n
It's a right, I defend, over and over again
What do I do?

With you eternally mine
In love there is no measure of time
We planned it all at the start
That you and I live in each other's heart
We may be oceans away
You feel my love, I hear what you say.
No truth is ever a lie,
I stumble and fall, but I give you it all.

(Chrorus)

Ooooh Yes I am a woman in love and I'm talking to you,
You know I know how you feel, what a woman can do.
It's a right, I defend, over and over again.
What do I do.
I'm a woman in love
And I'll do anything to get you into my world
And hold you within
It's a right I defend
