Life is a moment to space When the dream is gone it's a lonelier place

I kiss the morning goodbye
But down inside, you know we never know why
The road is narrow and long
When eyes meet eyes and the feeling is strong
I turn away from the wall,
I stumble and fall, but I give you it all

Chrous:

I am a woman in love
And I'd do anything to get you into my world and hold you within
It's a right, I defend, over and over again
What do I do?

With you eternally mine
In love there is no measure of time
We planned it all at the start
That you and I live in each other's heart
We may be oceans away
You feel my love, I hear what you say.
No truth is ever a lie,
I stumble and fall, but I give you it all.

(Chrorus)

Ooooh Yes I am a woman in love and I'm talking to you, You know I know how you feel, what a woman can do. It's a right, I defend, over and over again. What do I do.
I'm a woman in love
And I'll do anything to get you into my world
And hold you within
It's a right I defend
